

INTERNATIONAL PROGRAM OF ZAWP RESIDENCES 2020

Based on the same principles of the ZAWP project:

**CREATION + REVITALIZATION +
MEMORY + MICROPROTOTYPE**

We open a new summons to:

Encourage experimentation, production and investigation in different areas of creation and to contribute to the promotion of the creators and an international movement of professionals.

WHO IS IT FOR

This program is directed at people engaged in the cultural management, production and dinamization. Researchers, students, social and biological scientists. To sum up, creators whose objective is the production and investigation of what could be a small step in the cultural, artistic, social or economic knowledge.

DISCIPLINES

Architecture, urban planning, urban intervention, new economies, cultural affairs manager, historical memory, new technologies, transmedia languages, interactive art, new media, education and sustainability; paying special attention to those disciplines that are disruptive to the the ecosystem.

In case a resident wants to self-finance their proposal, the disciplines are unlimited.

DURATION

Variable, from one week to 4 months, but they all must end before June 30 (2021)

WHERE

The ZAWP ecosystem, in the neighborhoods of La Ribera de Deusto y Zorrozaurre in Bilbao. Depending on the project's necessities, the following spaces may be used:

- La Nave Va
- La Terminal
- La Calde
- Office (Haceria)

RESIDENCE CATEGORIES

A) SELF FINANCED RESIDENCIES

Although they may not match the main objectives of ZAWP, proposals that are enriching and may result interesting in the framework of the artistic, cultural or scientific production and investigation.

PROVIDED BY THE ORGANIZATION

- Communication support,
- Special discounts regarding the use of workspace.

PROVIDED BY THE CREATOR

- Workspace cost: LA NAVE VA (discount applied); LA TERMINAL and Office (general rates),
- Housing cost (if necessary),
- Travel, meals, and medical insurance if necessary.

B) GRANTED RESIDENCIES FOR INVESTIGATION AND PRODUCTION

ZAWP provides grants to ideas or projects that coincide with any of ZAWP movement's working lines: creation for urban transformation, historical memory, revitalization, and microprototype creation.

REQUIREMENTS
